To whom it may Concern,

Keystone Contractors, Inc. has had the pleasure of working with Panels Plus, Inc. on various projects. We have had only quality workmanship in a timely manner from Panels Plus. The knowledge of their trade from the office to the field is very noticeable from the start of the project. From material supply and delivery, manpower to complete the project on time and the quality of their work, is what makes Panels Plus a top insulated panel and FRP contractor in their field.

Sincerely,

Peter B. Kenny
Vice President
Keystone Contractors, Inc.
